RE: END OF YEAR 2025 SCHOOL CIRCULAR ON 26TH/11/ 2025

1. INTRODUCTION.

Greetings from the Board of Governors, PTA, CCM staff and the entire CCM community.

I thank the Almighty God for protecting us and keeping our families safe and healthy. My appreciation goes to the Ministry of Education and Sports, parents, guardians and other concerned school stakeholders. Thank you for un wavering support and commitment you offer to our institution. We are proud to have you as part of our growth.

My sincere gratitude goes to our staff for resilience and great work they have done in supporting our learners as they achieve even amidst challenges.

2. ACADEMICS.

Today Tuesday **25th/11 /2025**, we have successfully come to the end of the academic year 2025 and **term I 2026** will begin on **2nd/Feb/2026**. Parents are advised to send their students back to school early.

All students have taken their report cards except those with school fees balances.

3.0 DISCIPLINE. At CCM, discipline is key, it is a core value that is adequately supported by the school rules and regulations. This year disciplinary cases have been handled with parents’ involvement with great deal of counselling. I argue parents to have a personal relationship with school administrators and class teachers of their children for a better follow up.

4.0 UNIFORMS. Our uniform remain the same. Parents are required to pay for house T. shirts as the students report back next year at **shs.15000**. Students are cautioned against abuse of school uniform. Some of our students have outgrown their uniforms and so parents are advised to buy for them new uniforms so as they appear descent. We regret the delay in issuing uniforms to some few students due to un fore seen challenges from the suppliers

SPIRITUAL AFFAIRS.

The school has a variety of students from different religions who are all given the opportunity of freedom of worship.

CONCLUSION.

The term has ended successfully and our parents are appreciated including all developmental partners for working with us for the good of the school. Take good care of our children as we are heading towards this politics holiday. The best gift parents can give to their children is to teach them how to confront challenges with a positive attitude.
